

A Generous Life says:

As a discipleship movement shaped for mission, we are engaging with our generous God to: give more time, give more money, know more of what we are doing and can do to change the world.

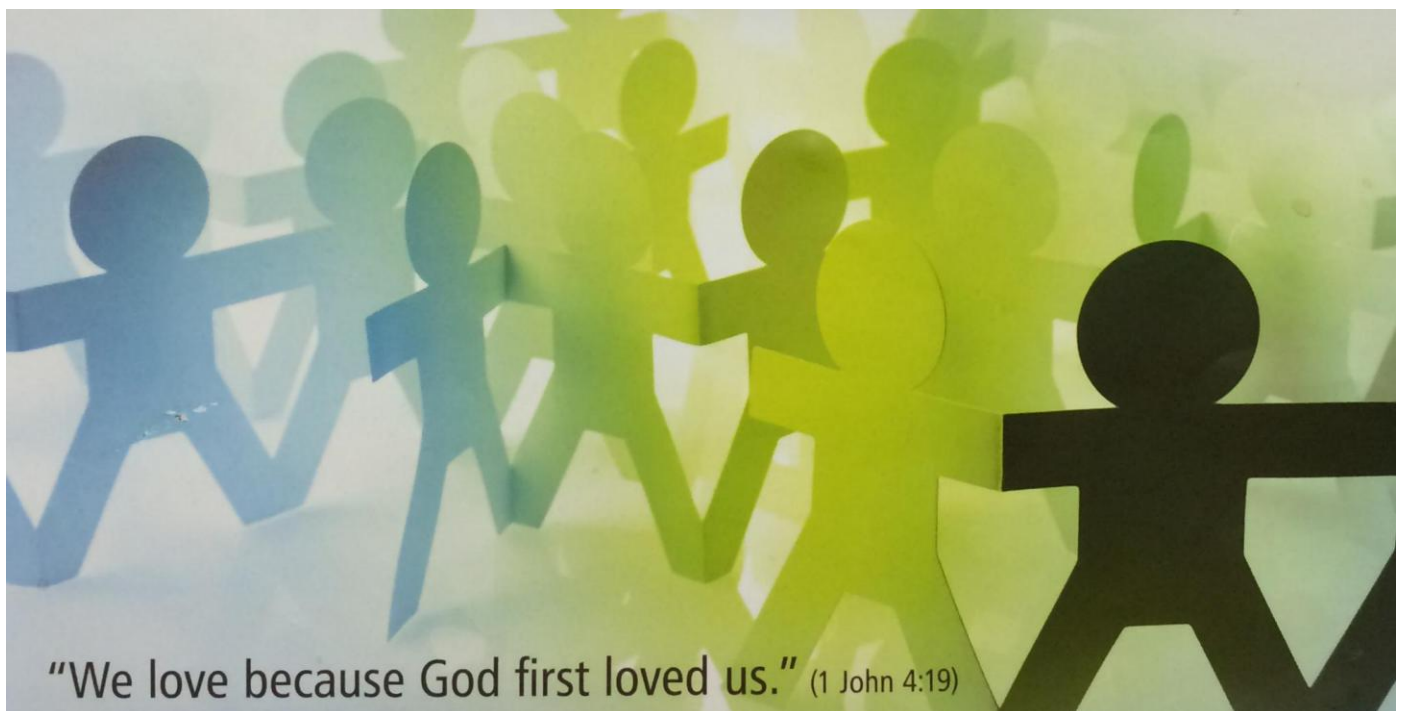

The **Methodist Church** 

For the love of God, it's time to be generous

It's time to

- give more time — be available for others in our community
- give more money — make a difference with a gift to another person's life
- change the world — one person at a time with our hearts and minds

"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can." JOHN WESLEY
