A Quotation to think about as you prepare for worship

The Almighty appeared on earth as a helpless human baby, needing to be fed and changed and taught to talk like any other child. The more you think about it, the more staggering it gets. Nothing in fiction is so fantastic as this truth of the Incarnation.

J I Packer (1926 - 2020)

Wellbeing Sessions

Are the effects of the lockdowns and restrictions imposed by Covid still leaving you feeling a bit anxious and uncertain?

Do you find the prospect of dark nights and short days over the next few months a bit depressing? If so, this could be for you.

Many people over the last two years have suffered from social isolation, anxiety, loneliness, a loss of confidence or are just feeling very low. Working with a team from Durham who are specialists in these areas we have arranged six 'taster' sessions which will provide a range of creative activities (art, craft etc.) beginning week commencing 17th January. You do not need any particular skill or ability – you would not be preparing something to be shown at an exhibition! Experience has shown that just taking part in creative activities can improve self-confidence, reduce anxiety and raise self-esteem.

If you are interested please contact the Church Office. The sessions, which are free, will be limited to twelve people, therefore, it's advisable to contact the office as soon as possible.

With the exception of items marked * all activities on these Notices are open to all and everyone is welcome.

If you are interested in a particular activity, please contact the office for further information or visit our website www.cornerstonescentre.co.uk
