A Quotation to think about as you prepare for worship

The greatest single cause of atheism in the world today is Christians, who acknowledge Jesus with their lips, and walk out the door, and deny Him by their lifestyle. That is what an unbelieving world simply finds unbelievable.

Wellbeing Sessions

(Please note change to start date)

Are the effects of the lockdowns and restrictions imposed by Covid still leaving you feeling a bit anxious and uncertain? Do you find the prospect of dark nights and short days over the next few months a bit depressing?

If so, this could be for you.

Many people over the last two years have suffered from social isolation, anxiety, loneliness, a loss of confidence or are just feeling very low. Working with a team from Durham who are specialists in these areas we have arranged six 'taster' sessions which will provide a range of creative activities (art, craft etc.) beginning on 8th February.

You do not need any particular skill or ability – you would not be preparing something to be shown at an exhibition! Experience has shown that just taking part in creative activities can improve self-confidence, reduce anxiety and raise self-esteem.

If you are interested please contact the Church Office. The sessions, which are free, will be limited to twelve people, therefore, it's advisable to contact the office as soon as possible.
